Holy Trinity Church has been serving the English-speaking community on the Riviera for 150 years. We provide English-language church services for the many visitors to the Côte d'Azur and function as a place of worship and a social centre for the thousands of English speakers in the region.

The majority of these people have little or no contact with the church, yet when in trouble they often turn to us, realising their need of Jesus Christ and friendly helping hands. We also actively reach out into the local community and have drawn many into the church, and a living faith

We need your help and financial support to enable us to continue functioning in this mission here in Cannes. Working on the Cote d'Azur is very costly and we have no financial support from either government, diocese or any other outside sources. We are almost entirely reliant on our congregation to cover our commitments which amounted to around 2,600 euros per week in 2011. This requires *average* giving of around 32 euros per adult church member each week. As a church, we seek to support mission and other aid agencies by giving at least one-tenth of our gross income.

We also encourage our members to follow this Biblical principle of tithing their income (giving 10%), so that those who have received more have the privilege of giving more!

If you are a visitor, please give as generously as you can, take our greetings back to your home church and remember us in your prayers.

If you attend our church regularly, please take this opportunity to join our planned giving programme — even if you are only resident here for part of the year. In order to do this, please send the direct debit form overleaf to your bank.

Your regular gift will help us to plan our financial affairs with confidence and will directly assist our ministry here. It will also be sign of your commitment to the Lord and of your desire to make Him central in your life.

If you are registered for tax in France, giving regularly to the church has tax advantages for you. If you are in the planned giving programme, we will provide you with a *Reçu Fiscal* at the end of each year

Your giving will be treated in the strictest confidence.

**Each of you should give what you have decided in your heart  
to give: for God loves a cheerful giver.  
(The Bible: 2 Corinthians 9.7)**
